CUMULATIVE BIBLIOGRAPHY—1959

Selections approved by a Bibiliography Committee consisting of the following members; Arnold Gates, 289 New Hyde Park Road, Garden City, N. Y.; Carl Haverlin, 2 Masterson Road, Bronxville, N. Y.; E. B. Long, 708 North Kenilworth Ave., Oak Park, Ill.; Richard F. Lufkin, 45 Milk Street, Boston, 9, Mass.; Wayne C. Temple, Lincoln Memorial University, Harrogate, Tenn.; Ralph G. Newman, 18 East Chestnut Street, Chicago 11, Ill.; William H. Townsend, 310 First National Bank Bldg., Lexington 3, Ky.; and Clyde C. Walton, Illinois State Historical Library, Springfield, Ill.

New items available for consideration may be sent to the above addresses or to the Lincoln National Life Foundation.

Editor's Note: The Lincoln Sesquicentennial year of 1959 was the occasion for the publication of a great number of books and pamphlets concerning the Sixteenth President. There were a few basic studies, several reprints and ennumerable books and pamphlets in foreign languages; so many, in fact, that it is necessary to devote an entire issue of **Lincoln Lore** to list these new publications. Up to date the Foundation has compiled 172 Lincoln titles issued in 1959 and it is reasonable to believe that the total figure, once every 1959 item is acquired, will number 250 separate and distinct printings.

From a study of this Cumulative Bibliography it is easy to discern that a considerable number of publications are in foreign languages and were published by the United States Information Service. Unfortunately for collectors all publications issued by the United States Information Service are not available for distribution in the United States. These publications were financed from funds appropriated specifically for expenditures aboard to inform "foreign peoples" about the United States. The United States Information Agency, Washington, D. C., can fill no requests for publications listed in this bibliography and the same regulations apply to posts abroad.
